Summer '23

Happy Graduation!

It's time to celebrate the achievements of the graduating class of 2023! We are so proud of our students and all of their hard work and accomplishments.

Students graduating from EA means so much more than just completing high school courses and receiving a diploma. It means despite all of their challenges, they rose to the occasion and accomplished what was thought to be impossible.

It takes a village though. And we would like to extend our sincerest thank you to the family, friends, teachers, staff and school-district partners, for all of the support you've given these young adults. Your passion, devotion, and encouragement for these students have made graduation possible for the class of 2023.

Thank you all and congratulations class of 2023!

Coral Autism Program

EA's Coral Autism program is a school-day program that serves students K-12 on the autism spectrum. The program supports social and emotional needs through the usage of ABA therapy, mental health support, and special education that is individualized based on each student's needs.

Alongside traditional academics, the Coral program helps students build functional social and life skills.

VisionQuest

We also offer along our VisionQuest program which helps students with developmental disabilities become more self-reliant and learn important life skills, that help them with employment opportunities, community involvement, and overall develop healthy habits.

Here at EA we also have student run businesses. With the help of EA staff, VisionQuest students are about to learn and develop their job skills to serve the greater community.

For more information about the Coral and VisionQuest programs, please visit us at:

PawPrints is a custom apparel shop that the VisionQuest students are a part of that serves not only the EA community but the great community as well!!

New Location

RAVENNA

REACH Behavioral Health is EA's sister organization, offering mental health support to EA students and their families. Individual counseling is available for all EA students who need the service in each of our EA school buildings.

Over the summer, we announced that REACH would be opening a new location in Ravenna to better serve the community in Portage County and we are pleased to announce that our Ravenna location is open and ready to offer our services!

Our new Ravenna office is located at **507 E. Main Street**. We offer **counseling, psychiatric and medication management, and case management services**. All REACH locations are licensed at the state level and offer experienced, empathic counselors treating a range of mental health concerns from anxiety and depression to trauma, grief, and more.

REACH has received **four** Accreditations through the international accrediting body, Commission on Accreditation of Rehabilitation Facilities (CARF), for its Day Treatment Program.

CARF International accreditation provides a visible symbol that assures the public of a provider's commitment to continually enhance the quality of services and programs with a focus on the satisfaction of the persons served. CARF accreditation signals a service provider's commitment to continually improving services, encouraging feedback and serving the community.
