This article explains how to purchase Ativan online, the benefits of these advanced services, and answers the most common questions people have about buying Ativan from a reputable online pharmacy.

What is Ativan?

Ativan is the brand name for **lorazepam**, a medication that belongs to the benzodiazepine class. Physicians often prescribe Ativan to manage **anxiety disorders**, **insomnia**, or for sedation before certain medical procedures. Ativan works by calming the brain and nerves, promoting relaxation and reducing anxiety. Since Ativan can be habit-forming, it must always be used under the supervision of a healthcare provider and only as prescribed.
